

ENVIROGRAF® PRODUCT 119

WEATHER BAR SEALS

DESCRIPTION

A PVC seal which can be used in conjunction with Envirograf® Products 106, 107, and 120 threshold seals. Available in black, brown, or grey.

USE

The seal is either screwed to both interior and exterior faces of the door (or the interior of the door if Product 120 is screwed to the exterior of the door) and it offers acoustic, draught, and weather protection to the flat threshold seal of Products 106 and 107.
